COLLEGE SCHOLARSHIP APPLICATION OVERVIEW

The Trenton Children's Chorus builds skills that promote future success and happiness, from personal presentation to college readiness, to lifelong musical participation. Educational Scholarships for students pursuing college or vocational degrees are granted for tuition, books and supplies. TCC will match family contributions toward educational costs for up to \$1,000 per semester, not to exceed \$2,000 per academic year. Deadline for application is July 15 for the fall semester and December 15 for the spring semester.

The Educational Scholarship Committee will make final decisions as to the eligibility of a student. Final determination of scholarship award is also based on the availability of funds.

Eligibility

To be eligible for scholarship funds the student must have graduated from Trenton Children's Chorus with a minimum of four years of high school membership in-good-standing. Good standing is defined as having been faithful in attendance at rehearsals and performances; and having exhibited a positive attitude and mature behavior. Scholarship funds will automatically renew for students who maintain the academic standards set forth by their university. Those on academic probation are not eligible for support. To receive ongoing support, grades must be submitted at the conclusion of each semester.

Scholarships are renewable for eight semesters over the six years immediately following high school graduation.

Application Procedure
